Kensington Eco

A linen styled sheer fabric made with recycled materials

2800mm

Kensington Eco

A linen-styled sheer fabric with recycled content

Beautiful sheer fabric with a *linen-like look* that brings natural light into a space and helps you to do your bit for nature by utilising yarns produced with recycled PET.

At 2.8 metres in width, Kensington can bring shading to the largest of windows without unsightly seams.

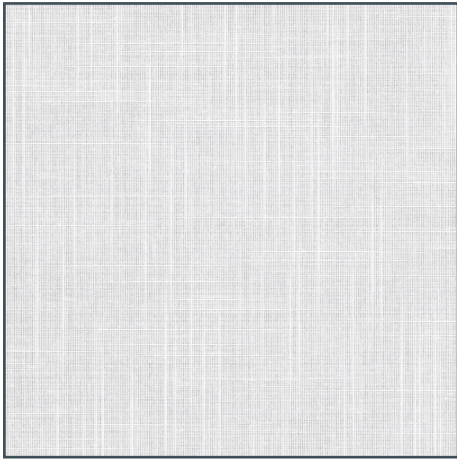

Sheer fabric maximises light and visibility

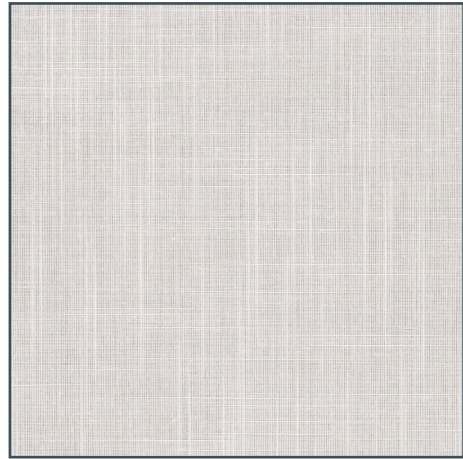

44% recycled PET

Kensington
